against live poultry. With the approach of the Passover season specu lators in poultry have advanced the prices from two to four cents a pound. though live fowl is plentiful. The wholesale price has gone up to 26 Dealers claim this will make the re-Dealers claim this will make the re-tail price from 20 to 22 cents a pound. "This is prohibitive," said Hamuel Marks of the Association. "Our peo-ple are sick and tired of being imposed upon by speculators. We will refuse to buy wholesale at present rates. They can bring the rate down 2 or 3 cents or keep them." Experts figure that wholesalers and retailers in the area covering Greater.

Embargo on Shipments to Allies Not a Solution of Problem, Says Wilson.

WASHINGTON, March 20,-The ote to General Carranza declining his proposal for neutral action to bring peace to Europe by cutting o xports of supplies to belligerents was

made public to-day at the State Department.

The refusal was based first upon the apparent hopolessness of peace and sympathetic consideration" which at the present time, as shown in the futility of President Wilson's efforts and Germany's attempts to embroil Mexico and Japan in war with this country and in the beinef that any country and in the beinef that any source, the Government of the United States has given to the "To render the situation still more country and in the beinef that any source, the Government of the United States has given to the United States has given to the States has given to the United States has given to the States has given to the United States has given to the States has given to the States has given to the United States has given to the States has given to the United States has given to the States has given to the States has given to the United States has given to the States has given to the United States has given to the

should in any way militate against the attainment of the high ideals of General Carranza by the co-operation of other neutral Governments in the

The refusal was based first upon the apparent hopolessness of peace and sympathetic consideration" which are the present time, as shown in the futility of Fresident Wilson's efforts and Germany's attempts to embroil the warfare, and goes on to say:

Mexico and Japan in war with this country and in the benief that any restriction of commerce with belliggerents would in effect be an unneutral discrimination.

Neverthetess, the note concludes, "Mexico, but also the Government and people of Mexico, but also the Government and people of Japan in war with the sumption of peaceful relations between all the beligerents and would not, therefore, wish the Mexican and geople of the German Empire Government to feel that his inability to act in the present state of affairs should in any way militate against

B. Altman & Co.

Women's Spring Tailor-mades

The new Suits are more than ordinarily attractive, embodying many smart, original ideas.

The fashionable wool fabrics-burella, tricotine, and gunniburl-as well as the new silks, are prominently featured.

Special attention is given to the importance of good workmanship, irrespective of the price of the garment.

About Fifteen new "Meadowbrook" models offer unsurpassed value at \$38.00 each

The assortments and values in the higher-priced Suits are especially worth noting, in view of the present upward trend of prices. Most of the styles are exclusive to B. Altman & Co.

The fashionable Silk Sports Sults are shown in numerous styles and combinations.

AN EARLY INSPECTION IS ADVISED.
